WebVault Achiever

Training Achievements, Digitally Stored Forever.

At NFAA making a difference to the environment while staying ahead of the pack is important to us!

Therefore, as our valued customer, we will be offering you the following:

Each company will receive its very own secure digital WebVault.

We will create digital certificates directly into your Vault.

Your Company will receive its very own secure digital WebVault

We will put a copy of the certificates directly into your Own Company Vault for you.

How much will this cost you?

That's simple..... **NOTHING!**

How do you stand to benefit?

- We add value to you by **giving** you your own permanent digital Vault with your companies training achievements stored in it - **forever**.
- Each time an employee attends training, we digitally store their certificates.
- You will also be able to store important **personal** docs in **your** Vault, e.g. RICA, copy of ID.
- Vaults are created using the company's registration number, so are **unique**.
- Companies **own** their own Vault **indefinitely** so consistency is guaranteed.
- Your company will be able to find any staff training achievement, on demand, in seconds, via the Internet.
- There are **no** program to install, **no** equipment to purchase and **no** license to buy.
- Achiever Vault entries are "Trusted". They cannot be changed & therefore are as good as verified copies of originals.
- No more future hassle of vetting training achievements of employees that have vaulted certificates.
- We are doing our part to help you reduce your carbon footprint by **GOING GREEN**
GOING DIGITAL

We will create and store each certificate, free of charge, in the company's own Digital Vault.

The screenshot shows a digital vault interface with a toolbar at the top containing icons for Search, Upload, Download (open), Quick View, Share/Un-share, Modify Title & Reminders, Split Document, Move to Folder, E-mail, Delete, Vault Copy, Review Reminders, and Help. The main area is titled 'Training Certif...' and 'PATIENCE MABULA'. On the left, a folder tree shows 'Vault 6004235045091' with sub-folders like 'Deleted Items', 'Inbox', 'Shared', 'Trusted', 'Seminar Attendance', 'Training Certificates', and 'Audit History'. The main content area features a search bar and a table of certificates:
